9 UNITED STATES OF AMERICA,

10 Plaintiff,

11 v.

12 DANIEL SOUTHERLAND,

13 Defendant.  
14

Case No. CR18-106

ORDER DENYING  
DEFENDANT'S MOTION  
FOR EARLY  
TERMINATION

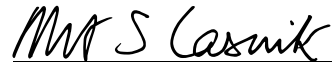

15 This matter comes before the Court on defendant's "Motion for Early Termination of  
16 Supervised Release" (Dkt. # 31). The Court, having reviewed the motion, records, and files  
17 herein, as well as the factors set forth in 18 U.S.C. § 3553(a), DENIES defendant's motion.  
18 While the Court commends defendant's many accomplishments on supervised release, it  
19 remains concerned by the two matters referred to in Probation Officer Prescott's report. Namely,  
20 defendant's violation of his probation officer's cease contact order and his use of alcohol.

21 If Mr. Southerland can recover from these missteps and avoid further violations or  
22 problems on supervised release between now and May 2023, the Court encourages him to  
23 submit a revised motion for early termination of supervised release. However, in avoiding  
24 further violations, the Court expects defendant to follow his current conditions of supervised  
25 release to the letter. This includes abstaining from alcohol and ceasing contact with individuals  
26 his probation officer has ordered him not to have contact with.

27 IT IS SO ORDERED.
